

# Memories Knitting Charts for DK Afghan

© 2011

Judith Helms

On the following pages are individual knitting charts for your use. I have not included my house, or the letters. If you want specific letters for your afghan, please contact me, I will see what I can do to help. These charts are for your personal use, and not to be sold.

Below is the layout I used. This project will measure 60 inches wide by 72 inches long. The charts are set at 6 stitches to the inch.
